

T-50 CANTILEVER

The elegant lines of T50 Cantilever Meeting chair create an upmarket ambience for any meeting space.

An impressive meeting room or visitors chair with slim harmonious lines, features include a cantilever base combined with a high quality mesh backrest; uniquely curved armrests in plastic and a generous, well upholstered seat.

The SIDIZ T50C conference chair has fixed plastic armrests, upholstered seat and mesh fabric backrest. The seat and armrests are rigidly attached to the steel base, which has plastic glides to protect the floor surface.
