Made In Australia

Seat Depth 76 mm

Features

Very smart.

Its side-to-side torsional flex allows the backrest to follow the user as they move, increasing mobility and comfort when reaching sideways for objects.

With models and options to support a variety of tasks and collaborative needs, Very works to bring consistency throughout an organization.

Very responsible.

Very seating can be disassembled and sorted for recycling. And, Very is GREENGUARD® GOLD certified. The Very seating family is sure to support your sustainability strategies and may contribute toward LEED® credits.

Very seating has built-in intelligence for user comfort. The Very Seminar and Conference chairs provide intuitive recline, ensuring user weight is absorbed and distributed to provide natural support.

Very versatile.

Featuring chairs perfect for corner offices, conferencing, cafeterias, medical centers, classrooms —and all points in between — Very operates in a wide range of environments.

Very seating is easy on the environment, the family includes up to 65% recycled content and is up to 98% recyclable.
