The product of extensive research and development, only Zody offers asymmetrical lumbar adjustments, providing user-selected support on each side of the lower back.

ITO Design, in conjunction with the Haworth Design Studio, created Zody to incorporate design elements that complement, not dominate, any work environment.

A high-performing task chair, Zody blends science-based wellness and comfort with sustainability and international design.

Internationally driven design.

Fully adaptable, Zody goes from workstations to conference rooms to the CEO's office. An engineering marvel, patents are pending for 16 new inventions that make Zody a remarkable investment.
