

# Easy Lounge

## Klaro Design

6-8 weeks

CUA Approved ●

Collection is a re-interpretation of oversized EASY chair, where proportions have been reduced and two and three seater have been added to diversify collection's applications. 'Huggable' geometry, neotenic visual language and texture of the carefully selected upholstery, all evoke a friendly presence and irresistible seating experience. Not so serious EASY\_s collection is sure to take a carefully curated interior space on an epic adventure. &nbsp;
