

Tube Workstation

Klaro Industrial Design

6-8 weeks

Hardware does not have to look 'hard', a softer feel is achieved by the use of curves and textures to create a more gentle composition. A component based dual origin system allows TUBE to deliver various configurations and uses: from boardroom to break out and work space.

Specifications

Product Height 720 mm

Product Width 1200 | 2000 mm

Product Depth 600 | 1800 mm
