Features

MDF and timber structure, commercial grade foam, fully upholstered to a specified fabric.

Opt for thicker, textured ranges with a degree of stretch, this not only will help comfort and focus of its user but will also follow curves much better than thinner fabrics. Leather and vinyl are good options also. Camira Blazer is our go to here.

Steel tube table base is available in Dulux or Interpon standard powder coat colours.

Please consider using felt, woven or quilted fabric to further assist with sound absorption.

Worktop options consist of Laminex or Polytec commercial ranges, as a cost-effective solution. Plywood, veneer, or Forbo Furniture Linoleum are further options to select from.
