

Trax & Trax Workstation Klaro Design

6-8 weeks

CUA Approved ●

Being detail and user experience orientated people, we thought there is a lot of room for improvement, when it comes to cable management systems. We imagined a world where you can carelessly dump your lap top charger lead into a basket and your workstation will still look neat and tidy from any angle.

Specifications

Product Height 220 mm

Product Width 1273 | 1775 mm

Product Depth 270 mm

Made In Australia

Features

stocked Dulux or Interpon powder coat with charcoal or light grey felt

Warranty

10 years
