

Basix Modular Seating

Klaro Industrial Design

6-8 weeks

For the love of colour and pattern! Each upholstered panel is framed by a black piping like a painting. Pay homage to the giants of textile design, or create your own juxtaposition of colour and do clash some patterns. BASIX seating range is a plain canvas with a simple geometry and straight surfaces which show cases the favourite fabric ranges, where as modular sizing is able to achieve multiple lay outs and utilise available space well.
