

Button Sconce Fluxwood

6-8 weeks

A cute though versatile solid hardwood and glass sconce well suited to small reading nooks, lounge rooms, hallways and bedrooms. The integral LED lightsource is a maintenance free lighting option for restaurants, cafes, offices and commercial spaces. The Button Sconce is a versatile wall sconce pairing an opal glass sphere with a solid timber dome, and a minimal wall bracket available in custom colours. Designed in collaboration with Natalie Haskell.
