

Sarek Plantpot Bōln

On Request

Sarek Plantpot is a module from the Sarek Collection, made out of metal. Modular with the Sarek Use the Sarek Basket with the Sarek Lounges for a fluid, rearrangeable modular configuration. The Sarek Basket can be used as a waste bin for either indoors or outdoors. The vibrant shades available for this collection allow the use colour to design creative, customised spaces that will adapt to all architectural styles; customised shades are also available on demand.
