

FourCast® 2 Four Wooden legs Ocee & Four Design

6-8 weeks

CUA Approved ●

Introducing the FourCast® 2 Four chair with wooden legs, a perfect blend of durability and sophistication. This wood base chair from the FourCast® 2 family combines a clean, crisp aesthetic with the warmth of wooden legs. Despite its robust design, the chair's back is designed to flex gently, ensuring comfort even during long periods of sitting. Ideal as lecture seating, canteen seating, and seating for versatile spaces, this chair effortlessly marries style and functionality.
