

Dundra Blå Station

16+ Weeks

The Dundra easy chair features gently rounded lines that clearly show the series' close kinship with Dunder sofa. The brief called for a design that built on the thinking behind Dunder sofa to create a family of products comprising sofa, chair, easy chair and bar stool. Ever since Blå Station was founded in 1986, one of the company's basic ideas has been to create families of furnishings, using the same concept and components to produce different items of furniture.
