

## Jackson 0721 Bla Station

12+ Weeks

An easy chair that will fit everywhere? Stefan Borselius and Thomas Bernstrand jumped at the brief Jackson can live all by itself or gathering together in small and large groups. At a table, along a wall or completely on its own Jackson is sometimes right in the middle enjoying the company, or he is that little uninvited one crashing in everywhere. The armrests in tubular steel and massive wood is a distinctive detail as manifest as a pair of red or black patent leather shoes.

### Specifications

---

Product Height 740 mm

Product Width 640 mm
