

OM Bla Station

12+ Weeks

Light and nimble, Johan Ansander's chair presents a generously slender seat supported by minimal construction. An expertly compression-moulded piece of layer-glued wood turns the hind legs into an accommodating backrest. The same thinly cut compression moulded layer glued wood is used for the front legs and the enclosing rim, all with a precise geometry that allow for a play of shadows and light to set off the lightness of the design even further.

Specifications

Product Height 790 mm

Product Width 480 mm

Product Designer Johan Ansander

Product Depth 500 mm

Made In Sweden

Seat Depth 460 mm

Features

making it easy to handle and move

Warranty

5 years
