

Skyline Castledex

6-8 weeks

Skyline has been designed and developed to provide an intelligent planning solution for all environments. Recognising that we work in predominantly rectangular spaces, designer, Henry Gurney drew his inspiration from the visionary design of New York City's grid plan city blocks. Across the range, seat height is 415mm, depth is 725mm, and back height is 765mm.

Specifications

Product Height 725 - 1425 mm
