

Nest Club Chair with Table +Halle

16+ Weeks

The NEST Club Chair is a natural progression of the continuously widened NEST Collection, designed by Stockholm-based studio Form Us With Love in collaboration with +Halle®. Offered in a variety of ways including a practical side table, the soft club chair, evokes the idea of recreation and productivity taking place in the same seat. The DNA of NEST is capturing a sense of belonging, a space that shelters us, and this is further pronounced in the range's newest addition — The NEST Club Chair.
