

Frisée 252

Billiani

16+ Weeks

Frisée is a collection that combines the solidity of wood with an ironic and joyful frivolity. Cristina Celestino's soft and enveloping touch exalts Billiani's materials and know-how with pure colours, corners that turn into delicate curves and bulb-end legs.

Although designed for the contract market, Frisée expresses a cultured and sophisticated lightness that gives a nod to the world of cabinet making.
