Len Chair

SBW

6-8 weeks

Experience the refined comfort of Len, where thoughtful design meets skilled craftsmanship The gently sculpted backrest curves to support and embrace the body, while the carved timber frame showcases the natural beauty of the grain. Its clean, understated form is enhanced by considered details—finger-jointed timber where the seat meets the leg, and angled back legs that introduce a subtle yet striking twist to the silhouette. Len is a celebration of honest materials and enduring design.
