

# Helio

## Arko Furniture

6-8 weeks

Our Helio Planter is a simple contemporary design for modern indoor and outdoor spaces. The form of the stand was guided by the vertical members, designed to match the slight angle of the sealed polypropylene pot, resulting in classic contemporary style with timeless appeal. Available in textured grey and textured white powder coated finish, our Helio Planters are made from rust proof zinc with a polypropylene sealed pot making it ideal for indoor or outdoor use.

### Specifications
