

Plasma Bench +Halle

16+ Weeks

Plasma is a flexible concept in public seating. The Plasma Bench functions perfectly as individual abstract piece, but can also be used in different combinations to form more unique and distinctive spaces. The 4 different sizes facilitate various possibilities in terms of expression and functionality. The large Plasma is more than three and a half meters long, which allows room for up to 10 people at the same time. The organic shape also offers advantages in terms of functionality.
