

Pac High Stool Castledex

2-4 Weeks

Pac successfully merges natural and synthetic materials in a streamlined and modern design. With gently tapered solid beech wood legs or painted black legs and a durable polypropylene round seat the Pac stool not only has design flair but is practical too. The waterfall seat reduces pinching on the thighs and the tapered foot ring provides stability and reinforces the chair. Offered in black or white with a choice of heights, there's a Pac stool for any office.
