

## Beau Light

### PLN Group

12+ Weeks

The Beau Light was developed by David Trubridge Design Studio. The gentle overlap of the individual panels invoke the ripple of waves, in keeping with the natural theme of the David Trubridge collection. Beau offers various lighting options due to the effect finish has on the shade's light output; caramel limits the amount of light creating a moody environment, whilst the natural option glows.

### Specifications

---

Product Height 280 mm

Product Width 600 mm

Product Depth 600 mm

Made In Australia

### Features

---

Made from bamboo plywood with nylon clips.

Ships flatpacked. Assembly required.

### Warranty

---

5 years

### Colours & Finishes

---

Colour(s) Caramel , Natural

Material Wood
