

## BIP Acoustic Pendant

### PLN Group

12+ Weeks

The BIP Acoustic Pendant is an acoustic accessory to be hung in the open plan office or hospitality space to absorb sound and reduce noise in the open office. Designed by David Trubridge Studio, BIP is manufactured using a lightweight, semi-rigid acoustic panel which softens sound and reduces reverberations. Choose from a range of 16 colours to suit your brand, to accent the office décor, or simply mix a few vibrant colours for some quiet fun.
