

Element Vision

Humanscale

6-8 weeks

With cutting edge advancements like MCX LED technology, the Element Vision task light offers a generous foot-print of glare free illumination in a single light source - not commonly found in LED computer lamps. Element Vision provides the same effortless functionality found in all Humanscale task lights, moving fluidly without the need for knobs, switches or springs.

Specifications

Product Height 304.8 mm
Product Width 200 mm

Product Depth 304.8 mm
Made In Australia

Features

New Technology
Effortless Adjustment

Intelligent Efficiency

Warranty

5 years

Colours & Finishes

Colour(s) White ,Grey

Material Metal
