

Aspect Workstations Castledex

Stocked (2 weeks)

CUA Approved ●

Whether you need individual offices for concentrated work or team based work areas to enhance interaction, aspect workstations are a superb collection of desk and workstation elements. There is no reason why your office furniture should not be as architecturally appealing as your offices – aspect is a statement in style. The shared inset leg allows for large runs of desks with clear legspace underneath. All aspect work modules are available with cable management.
