

## Starr 12 Boss Design

4-6 Weeks

Proudly assembled and finished in Australia allowing us to offer you the very best in European design at local production lead-times. The Starr multipurpose high density stacking chair is ideally suited to conference, meeting, training and visitor environments. Starr's seat and back is highly contoured for comfort and complimented by a robust solid steel rod skid frame. Designed with the environment in mind, during its life the seat and back can be easily replaced.
