

Gotham W Chairs&More

4-6 Weeks

Gotham It may look like a raindrop, a slender linear cut, an opening for gripping and for anchoring or even a window from which you can look through Gotham was born like this, with this distinct and recognizable graphic detail which, in different versions, takes on different meanings and functions, strengthening its identity without ever appearing excessive. The delicate curve of its silhouette, its graceful graphic detail and the feeling of snugness and coziness of the seat itself.
