Seat Depth 530 mm

Features

Versatile injection moulded high impact polypropylene seat.

Engineered to withstand the rigours of constant commercial use.

Aluminium legs make it extremely lightweight.

Stacking storage suitable with the Progress Chair Trolley.

Available with chair links (Black in colour only).

Additional Options: With Arms / With Left or Right-handed side tablet (tablet 300x300x640mm) - Fees Apply

Minimum Order quantities apply. Custom colours also available on request.

Anti-static, stain-resistant and UV protective.

Superior level of comfort in both its ample width and its live hinge moulded into the backrest which responds to the individual, assuring maximum comfort with good lumbar support, even over the longest sitting periods.

Stacking ability minimises space required for storage, a recommended maximum of 12 high or 6 high with tablet arm.

Leg colour options: Black, Warm Grey or Aluminium.

Hot Stamping Options: front and back of backrest. Fees Apply

Upholstery Options: Seat Pad only / Seat and Back Pad / Deluxe Full Upholstery - Fees Apply
