

Mia SBW

6-8 weeks

A clean and balanced design coupled with visual lightness, the Mia can act as a stool or occasional side table adaptable to an array of environments – residential, commercial or hospitality. A plethora of powder coat colours and upholstery options are available for individual customisation to encourage the creation of awe-inspiring spaces. Take a look at the deceptively simple weld points on the Mia stool – their intricacy and the degree of difficulty in accomplishing those, will impress.
