

## Okidoki Chair

### Thinking Works

6-8 weeks

CUA Approved ●

At Thinking Works they are very proud of the beautiful timber finishes that we offer. The beauty of timber can be partly attributed to variations created by nature including colour, grain and texture which will not only vary between trees of the same species, but will also vary within a single tree based on which part of the tree the timber is harvested from.

### Specifications

---

Product Height 790 mm

Product Width 430 mm

Product Designer Thinking Works Design Studio

Product Depth 493 mm

Made In Australia
