

Abisko Armchair

True Design

16+ Weeks

The 'Abisko' seating family builds on a rounded silhouette and a soft volume that is cut sharp on the four sides. The concept not only provides a unique expression but also a smaller footprint, and favours repeated elements and furnishing along walls, facilitating the planning of environments such as offices, hotels and public areas.

Specifications

Product Height 700 mm

Product Width 710 mm

Product Designer Claesson Koivisto Rune

Seat Depth 640 mm

Product Depth 640 mm

Made In Italy

Seat Height 400 mm

Features
