

## Clara 3000

### True Design

12+ Weeks

Clara is a collection of seating for today's office space composed of an armchair, sofa and chaise. Defined by sinuous shapes, Clara embraces the person seated thanks to a comfortable element working as a backrest and armrest. Its pronounced asymmetry emerges as the main aesthetic feature. Classically inspired but of a truly modern design.

### Specifications

---

Product Height 700 mm

Product Width 1460 mm

Seat Height 420 mm

Product Depth 630 mm
