

Eighty True Design

8-12 Weeks

The Eighty, designed for the contract environment, is a collection of coffee tables defined by large shapes and sinuous lines, evoking the curvy style predominant in the 80s. The 80 mm diameter of the aluminium tube chosen by Studio Favaretto and Partners as the base for each table is also distinctive: with its robust structure, Eighty is an iconic object.

Specifications

Product Height Various mm

Product Width Various mm

Product Depth Various mm

Made In Australia
