Seat Height 455 mm

Features

FourSure® 44 is a unique chair designed to offer maximum comfort and ergonomic support thanks to the V-shaped back and flexible poly shell.

The chair can be delivered with Teflon glides to avoid noise when the chair moves across the floor. Standard glides are polyamide

The chair is a Four Design concept, a member of the FourSure® family, and designed by the award winning designers Christina Strand & Niels Hvass.

FourSure® 44 is available in 13 attractive colors.

It is possible to upgrade FourSure® 44 with seat, inner or full upholstery, inno®note, armrest, linking device under the seat, grip hole, and seat and row numbers. Ask us for the EU Ecolabel option – available in White, Black or Anthracite.
