Ocee & Four Design

6-8 weeks

What sets FourSure® 88 apart? Its innovative glideable base, which provides ease of movement and adaptability to various environments Effortlessly stackable, it allows for efficient storage, ensuring you have extra seating on hand whenever you need it. Made to suit your needs Whether it's a bustling office space, a contemporary dining area, or a dynamic event venue, the FourSure® 88 is the epitome of versatility and style.

Specifications

Product Height 835 mm	Product Depth 530 mm
Product Width 525 mm	Made In Denmark
Product Designer Christina Strand & Niels Hvass	Seat Height 450 470 mm

Features

FourSure® 88 is a unique stackable chair designed to offer you maximum comfort and ergonomic support thanks to the V-shaped back and flexible shell.	The chair can be delivered with Teflon glides to avoid noise when the chair moves across the floor, standard in polyamide glides.
It is possible to upgrade FourSure® 88 with seat pad, inner, or full upholstery, inno®note, armrest, linking device under the seat or on the frame, grip hole, and seat and row numbers.	The chair is a Four Design concept, a member of the Sure family, and designed by the award-winning designers Christina Strand & Niels Hvass.
