

Installation Instructions for the  
**Starr Writing Tablet**

 <p>1. Start by holding the writing tablet and frame in the upright position.</p>	 <p>2. Continue holding writing tablet. Place left foot on the base of the frame to support chair. Attach the frame to the rear of the chair by guiding the tabs around the rod frame. The top tab must rest above the cross rail.</p>	 <p>3. Continue holding writing tablet in position. Guide the front tabs over the front rod frame by lifting the front of the frame slightly. The finish position must be one tab above the front cross rail and one tab below.</p>
 <p>4. Continue holding writing tablet in position. Place one foot on the base of the frame. Place both hands on the tablet handle and firmly push down on the tablet to lock the tablet into position.</p>	 <p>5. To position the tablet, fold the top down from the upright position. The tablet top will slide backwards and forwards.</p>	<p><b>To remove the writing tablet reverse the process.</b></p>

NOTES :

CHAIR WILL NOT STACK WITH TABLET ATTACHED.

WEIGHT LIMIT OF TABLET IS 10KG.
