Framery Q

Flip n' Fold

Flip n' Fold is one of the most convenient and flexible interior alternatives for the Framery Q. Low doorstep, automatic door opener, folding chairs and table enable many different meeting arrangements and easy access with a wheelchair. Automatic air ventilation creates a fresh and comfortable working environment. The product is easy to assemble and relocate when necessary. The Flip n' Fold offers a quick escape to privacy in an open plan office. Due to the great sound insulation, the meeting pods can be installed right next to workstations. Strategically placed quiet spaces create an open office environment without noise problems, increasing happiness in the workplace. Flip n' Fold is designed for up to four users.

framery
