

Postura[®] Plus Sled Base Stool

Perfect for tiered, interactive and collaborative learning environments

Australia's number one student chair the Postura[®], is also a Stool. The Postura[®] Plus Sled Base Stool is designed to be used with benches, in libraries, science labs and in the classroom making them ideal for tiered, interactive and collaborative learning environments. Based on the genuine science behind the original Postura[®], the stool is ergonomically designed to be ultra durable and seriously comfortable for sitting for long periods of time. The premium polypropylene shell and strong fully welded steel frame will ensure that these Stools stand up to the rigours of constant use. And being a Postura[®] Plus means that the shell is big enough for senior students and adults alike.
